The WYSO Philharmonia provides a student's first experience playing in a large ensemble that includes strings, woodwinds, brass and percussion. It is comprised of WYSO String Ensemble Alumni, middle school students who are taking private lessons or recommended by their music teacher, and high school students who are not able to attend the Wednesday night WYSO Philharmonic. String students in this group will be able to play music similar to that found in Suzuki books III and IV. A public performance is included at the end of each semester. The Philharmonia will begin the semester working on the first movement of Schubert's 9th Symphony and the second movement of Beethoven's 7th Symphony.
